

HIX JIM,

~~How~~ How are you? Receive warm greeting from us. We went Isaac Wighton and we rode a horse. We were ~~very~~ happy. After that we went swimming elsewhere because we didn't have swimming costumes and at the Isaac Wighton we were not allowed to swim without full swimming costumes. We could not afford to buy ~~on that way~~ swimming costumes because one costume cost four hundred and sixty three Kenyan shillings.

Grace decided to take us to ~~the~~ another swimming pool at Munn. Inn. There we met a man who was cleaning the swimming pool and he was the trainer. He trained us and went. It was time for lunch we wore our garments so that we can go for lunch.

Each one of us ate half chicken, chips and sodas to relieve thirst. After having our lunch we went back to the swimming pool and after some time we went back at home.

After that we thanked God and asked him to bless the work of your hand. We were very happy. Thank you Jim may God bless you from Evelynne on
