

Hix JIMMI

How are you? I hope you  
are fine. Even us here we are fine too.  
My aim to write this letter is to  
appreciate for what you have done to us.  
Like I, I appreciate because I have never been  
in Embury town again, that was my first  
time to be there. We were taken to Zaab  
Wahon. I am where we were ridden by a  
horse. I was surprised to see many people  
big houses and convoys of vehicles. After  
that we were taken to Muna. I am where  
we were to swim, but I was very  
discouraged to see all the children ~~are~~ were  
wearing swimming costumes, even if I wasn't  
able to swim I enjoyed very much, because  
I was playing in the water. After we swim  
we ate alot I ~~enjoyed~~ <sup>have enjoyed</sup> enjoyed like that  
before. My appreciation is to God and to you  
may God bless the work of your hands  
and give you more.

FAITHFUL DAUGHTER
